2. Public Comment:

No written public comment was received.

3. Motion – Consider a motion to approve the previous meeting notes

Glade Bilby motioned to approve the previous meeting notes. Joshua Grippio seconded the motion, and it was approved.

4. Committee Chair's Comments

Chair Christian Pendleton welcomed the Committee members and guests, thanking the Committee for volunteering their time and thanking the NOPD for their dedication and hard work.

5. Discussion – Update on Concealed Carry Bill

Cpt. LeJon Roberts reported that nothing has changed with the permit-less carry bill, which is set to go into full effect on July 4th. He stated that the NOPD will be prepared for this change and will make sure that they continue to do everything ethically and constitutionally possible to address illegal guns. Cpt. Roberts stated that he has plans to increase the Bourbon Street

French Quarter MANAGEMENT DISTRICT

promenade unit from nine officers to 14. He noted that the Eighth District will continue to make gun arrests in the meantime. Frances Hegenberger asked if individuals can go into a bar with a permit-less carry firearm. Cpt. Roberts answered no, stating that anyone who attempts this would be arrested. Mr. Grippo asked if an individual with a permit-less carry firearm can drink in the street. Cpt. Roberts replied no and added that the details of how officers will test individuals with a permit-less carry firearm for sobriety are still being ironed out with the Louisiana State Police (LSP). He noted that the LSP is on board to assist the Eighth District in the French Quarter when the bill goes into effect.

a. Negligent Carry Case Updates

Vice-Chair Jessica Dietz reported that she spoke with the District Attorney's Eighth District screener and was informed that they are not taking on the negligent carry cases until July 4th.

b. Potential of Gun-Free Zone

Cpt. Roberts reported that there are no updates regarding a gun-free zone in the French Quarter at this point in time but noted that he has been in constant contact with attorney Morris Bart who is pushing hard to get a carve-out created either for the French Quarter or for special events. He stated that he will be having a meeting with Mr. Bart and the NOPD Superintendent tomorrow to discuss the matter further.

6. Discussion – Additional Parking Space Availability for Patrol Vehicles

Karley Frankic reported that she had a conversation with the Office of Resilience and Sustainability last week regarding removing the City's bike rack off Conti Street in order to add additional parking spaces for NOPD patrol vehicles. She stated that an alternative space is needed to move the bike rack to, and asked the Committee members to contact her if they would like to help with this effort. Ms. Dietz suggested the 400 block of Chartres Street, noting that there are three available spaces that do not have parking meters located around them. Ms. Frankic reported that the 600 block of Conti Street is slated to be repaved before the Super Bowl so the rack will need to be relocated for that project. Ms. Frankic will update the Committee on the removal of the bike rack at next month's Committee meeting.

7. Discussion – Funding for Royal Street Barricade Replacements

See attached documents. Ms. Frankic presented the cost estimate and barricade line drawings to the Committee, noting that the line drawings were utilized for the replacement of the original Royal Street barricades. She stated that she had a meeting with Rick Hathaway, the Director of the Department of Public Works (DPW) who informed her that he had these barricades remanufactured during the last Super Bowl in New Orleans. She asked the Committee if this is a project that they wanted to take on and recommend to the FQMD Board, estimating that the cost would land around \$40,000. Jane Cooper asked who would be responsible for putting the barricades up and taking them down. Eric Smith replied that Grounds Patrol will be operating any bollards or barricades. Mr. Pendleton pointed out that the original barricade materials were heavy and required multiple people to lift them, noting that this could be a safety concern if emergency vehicles need to get through quickly. Mr. Smith agreed and stated that he spoke with the Louisiana Department of Public Safety as well as Homeland Security and discussed utilizing lighter materials. Ms. Frankic stated that there is a possibility that the City bollards will not be created and deployed on Royal Street before the 2025 Super Bowl, so the replacement of the decorative barricades is a quick alternative. She added that the Committee has time to look into different materials and ideas for this project before it moves forward to the Board.

Ms. Hegenberger made a motion to ask the Board of Commissioners to move forward with the Royal Street barricade replacement project with financial analysis and consideration of the materials used. Mr. G. Bilby seconded the motion, and it was approved.

8. Presentation – Presentation of Eighth District Crime Statistics and the French Quarter Patrol. (Green Sheet) To Present: Sgt. John Castelin

See attached report. Sgt. John Castelin reported that the average response time was 2.8 minutes, and the average app response time was 3.7 minutes, noting that both numbers are down from last month. He added that since the report has been made, the number of parking citations has increased from 10 to 22. Sgt. Castelin stated that out of the 900 shifts scheduled, 636 were filled, totaling the shifts filled for April at 71%. He added that 16 new or returning officers have signed up to join the

French Quarter MANAGEMENT DISTRICT

SPPP this month, and he anticipates the shifts filled percentages landing around 70-85% going forward. Sgt. Castelin reported that the SPPP has increased their numbers for parking violations, noting that on May 10th Sgt. Philibert issued 20 citations to one individual alone, who was using the back of his pickup truck as a bar. He added that enforcement is also ramping up regarding party buses and golf carts, stating that the carts are treated as vehicles. Ms. Cooper reported that this morning she discovered that a streetlight at Bienville Street and Dauphine Street was smashed to the ground, adding that a Real Time Crime Center (RTCC) camera was installed on the streetlight. She asked Sgt. Castelin if he could find footage of the vehicle that drove into the light. Sgt. Castelin replied that he was not aware of the incident but will get with the RTCC and look for video footage. Mr. Pendleton asked what the dollar value of the average parking tickets amount to. Sgt. Castelin answered that he did not know the exact dollar amounts but estimated anywhere between \$25 to \$100. Sgt. Castelin will report back the exact dollar amounts to the Committee. Ms. Frankic stated that she thought there was money in the budget for the SPPP to obtain a speed radar as well as funding for training the officers on how to utilize it. Mr. Smith answered that \$5,000 for the radar and training were budgeted for this year.

Cpt. Roberts noted that the LSP and Troop NOLA should be assisting the Eighth District within the next week and will be helping enforce more traffic violations like illegal parking. He added that the LSP will be working diligently with the Eighth District to get more tow trucks into the French Quarter in order to help the New Orleans Fire Department and other emergency vehicles get through the district.

a. New Patrol Vehicle Wrapping and Light Installation Status

Sgt. Castelin reported that one Gator patrol vehicle is now in possession of the Eighth District, adding that the second Gator should be in possession by the end of this week. He stated that two of the three Chevy Bolts are currently being wrapped this week and the decals are being printed.

b. Strategy for Light Tower Decaling and Deployment

Sgt. Castelin stated that the light towers will be receiving decals instead of the magnetic decals previously discussed. He added that the light towers now fall under the Equipment Maintenance Division (EMD) unit so all repairs can be performed faster without having to go through an independent contractor. Sgt. Castelin noted that the light tower that needed repairs should be back in service soon, and the other two light towers have been deployed at strategic locations during various events.

c. French Quarter Patrol Vehicle Cleaning and Maintenance

Sgt. Castelin stated that he does not have updates on this matter and is still searching for the best deal possible for the vehicle maintenance.

9. Presentation – Presentation of Upper Quarter Patrol. (Purple Sheet) To Present: Matthew Pincus

a. Upper Quarter Patrol April Report

See attached report. Matt Pincus reviewed the Upper Quarter Patrol (UQP) report with the Committee members.

b. Updates on Expanded Upper Quarter Patrol

See attached report. Mr. Pincus reviewed the Expanded Upper Quarter Patrol (EUQP) report with the Committee and noted one incident where two individuals were struck by three juveniles and were then walked back to their hotel by EUQP Sgt. Champagne to ensure that the individuals were safe. Cpt. Roberts stated that the EUQP were a great help during the protests in Jackson Square. Mr. Pendleton asked if the EUQP and NOPD have a plan for addressing the 200-300 blocks of Decatur Street, noting that this area has been problematic. Mr. Pincus replied that this is on their radar, adding that the plan is to saturate the area with a police presence.

10. Presentation – Presentation of Travelers Aid Society of Greater New Orleans. (Orange Sheet) To Present: Karley D. Frankic

See attached report. Ms. Frankic reviewed the TASGNO report with the Committee, noting that TASGNO housed three clients in April, as well as connected one client to a permanent housing voucher. She informed the Committee that the TASGNO contract from 2023 was not renewed for 2024, which has caused TASGNO to have to float the salaries of the three case

French Quarter MANAGEMENT DISTRICT

managers for the past four months. Ms. Frankic noted that this contract, which is between TASGNO, the City, and the French Market Corporation, is not yet signed, but is on its way for expedited signature. She added that Ms. Owczarek has resigned from her position, stating that this is not only a blow to the French Quarter, but to all the programs that Ms. Owczarek was helping to run.

11. Discussion – Update on Streetlight Repairs and Survey Fieldwork

Ms. Frankic reported that All Star and Legacy have given their list of recommended streetlight repairs to the DPW, and the DPW is currently waiting to hear back from them on clarifications regarding some of the identified streetlights and locations. She clarified that these repairs would be funded with the \$150,000 French Quarter Economic Development District (FQEDD) streetlight maintenance budget and noted that the goal is to have these repairs completed this summer.

Ms. Frankic added that a term sheet for a Cooperative Endeavor Agreement (CEA) between the FQMD and the City that would allow the FQMD to repair streetlights if the State should provide the FQMD with an appropriation. Once the CEA has been drafted it will be reviewed by the Board's attorney and then sent back to the City. The goal is to have the CEA completed in parallel with the closing of the legislative session. A second tripartite CEA would need to be completed after the FQMD completes procurement and a vendor is selected.

12. Discussion – Update on Real Time Crime Center Crime Camera Installations

No new updates were discussed.

13. Presentation – Presentation of Updates on City Safety Coordination Efforts by City Chief Administrative Office. To Present: Eric Smith & Alex Dunkenberger

a. French Quarter Patrol App Contract Status with SDT Productions

Mr. Smith reported that the contract is routing at this time. He stated that Legal had to wait on SDT Productions to provide their Cyber Insurance Certificate, and this was the last step before the contract was finalized.

b. FQEDD Code Enforcement Inspector Updates

Ms. Frankic reported that the Code Enforcement Inspector, Shaune Gilbert, will be getting cross-trained by other departments like Safety and Permits, so that he can identify violations outside of his jurisdiction and route them to the proper departments.

14. New Business– To consider and take action upon any other matters that may properly come before the French Quarter Management District Security and Enforcement Committee

Ms. Frankic informed the Committee that the budget process for the 2025 FQEDD budget will begin earlier this year than last year, stating that the budget will be due to finalized and approved by the City Council in November. She requested that the Committee members begin to brainstorm their ideas and send any suggestions to the Committee Chair and Vice-Chair so that a full discussion can take place at the June Committee meeting.

15. Next Meeting Date:

The next scheduled meeting of the Committee is Monday, June 24th, 2024, at 11:00 am.

16. Adjournment

Ms. Hegenberger made a motion to adjourn. Maddie Charleston seconded the motion, and the meeting was adjourned at 12:00 pm.

Summary of Month Activities

4/1/2024

At approximately 8:45 PM, while on routine foot patrol in the Royal Street and Iberville Street area, Mike Zappardo, Executive Manager of Mr. Ed 's Southern Creole Kitchen at 132 Royal Street, alerted deputies that he was just struck in the head by an unknown black male subject as he was walking in the block. The perpetrator, who was still on scene, made an attempt to flee the location after seeing approaching UQP Deputies. After a brief chase, the offender was apprehended without further incident, at which time, he was identified as Darrel Fleming, DOB 10-18-2010. Fleming was then placed in handcuffs and transported to the Juvenile Justice Intervention Center(JJIC). The arrested subject was charged with simple battery and resisting arrest by flight.

4/7/2024

Around 9:45 AM, UQP Deputies, while conducting routine foot patrol, were alerted by an employee of Italy Direct, 217 Royal Street, of a shoplifting that just occurred. The employee went on to state that a black male entered the store at 11:34 AM and proceeded to remove merchandise totaling over \$1,000. The individual then fled on foot via Royal Street. Upon reviewing video footage of the offense, UQP Deputies immediately recognized the perpetrator as an individual that frequents the 100 block of Royal Street. At approximately 2:07 PM, after canvassing the area in search of the wanted subject, Deputies observed the perpetrator at the intersection of Royal and Iberville. The perpetrator was taken into custody without incident, then relocated to the 8th District station for transport to central lockup.

4/16/2024

At about 6:30 PM, patrolling UQP deputies, while at the intersection of Iberville and Royal, observed a male subject exposing his genitals in direct view of the patrons in Mr. B's restaurant. The individual was immediately taken into custody without incident. The arrested subject, identified as Herbert Branch, b/m, DOB 12-14-1961, was charged with lewd conduct and resisting arrest. Deputies transported Branch to lockup for booking.

Summary of Month Activities

Expanded Upper Quarter Patrol

4/7/2024

At about 3 AM, EUQP member, Sgt. Jamil Champagne, observed a vehicle weaving around 100 Canal Street. Upon executing a traffic stop, Sgt. Champagne determined that the driver was highly intoxicated. After learning that no DWI units were available, Sgt. Champagne placed the driver under arrest for careless operation of a vehicle, at which point, he transported the individual to lockup.

4/26/2024

Around 2 AM, EUQP members received a radio broadcast of a battery that had just occurred in the 100 block of Canal Street. EUQP units arrived on scene within 2 minutes and were able to meet the victims, a couple visiting New Orleans. The couple stated that they were just attacked and physically struck by 3 juveniles. They immediately alerted the officers to the juvenile offenders who happened to still be on the block. Despite trying to elude the pursuing officers, EUQP members and NOPD units were able to apprehend the fleeing juveniles without further incident. All 3 juveniles were charged with battery and were transported to the Juvenile Justice Center by NOPD.

4/26/2024

EUQP officers responded to a radio broadcast of an officer in need of assistance at Jackson Square. Upon arrival, EUQP deputies immediately began rendering assistance to NOPD officers, who were physically engaged with Pro-Palestine supporters/agitators refusing to vacate their encampment from inside the Square. After officers took control of the scene, EUQP Deputy Bryant Parish relocated to OPSO fleet division to retrieve a paddy wagon to assist in the transport of the multiple individuals arrested in the protest. Upon returning to the scene, Deputy Parish loaded and transported 12 arrested subjects to lockup. This action relieved NOPD of being burdened with the transport, which would have required multiple police officers and vehicles to complete.

Additionally, the EUQP continues to disperse large crowds which routinely gather during the weekends in the 200 and 300 blocks of Decatur Street.

Outreach Success Stories

After a year of diligent efforts from multiple case managers, a client finally completed a mental health assessment. Their completion marked a significant breakthrough demonstration of the power of empathy in supporting individuals through their mental health journey, in addition to highlighting the supportive impact each case manager contributes.

Outreach Challenges

The systemic challenges facing unhoused individuals are multifaceted and quite unsettling. Access to affordable housing, insufficient mental health resources, the lack of coordination among service providers, and the absence of a comprehensive and holistic approach to supporting the unhoused continues to reinforce existing power dynamics and perpetuate cycles of oppression and exclusion.
